ROLL 'EM

In order to break up the monotony of routine school life, help raise some school spirit, promote the sale of the 1977 BATAWAT, and to help carry out the theme of the book, the staff sponsored the "You are a Star" Day contest. costumes were judged on a basis of originality, design and presentation. The winners were awarded free 1977 BATAWATS.

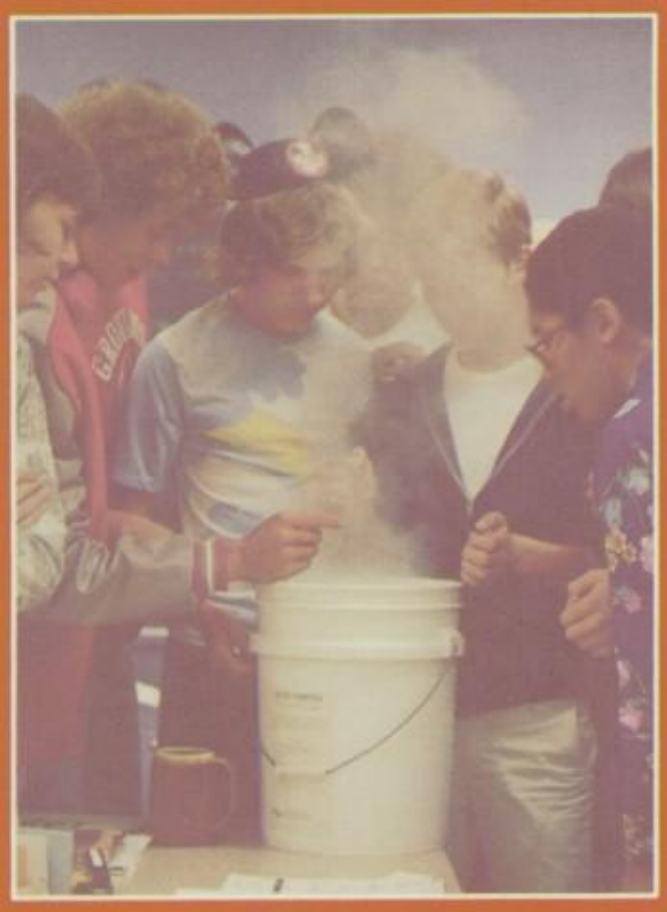
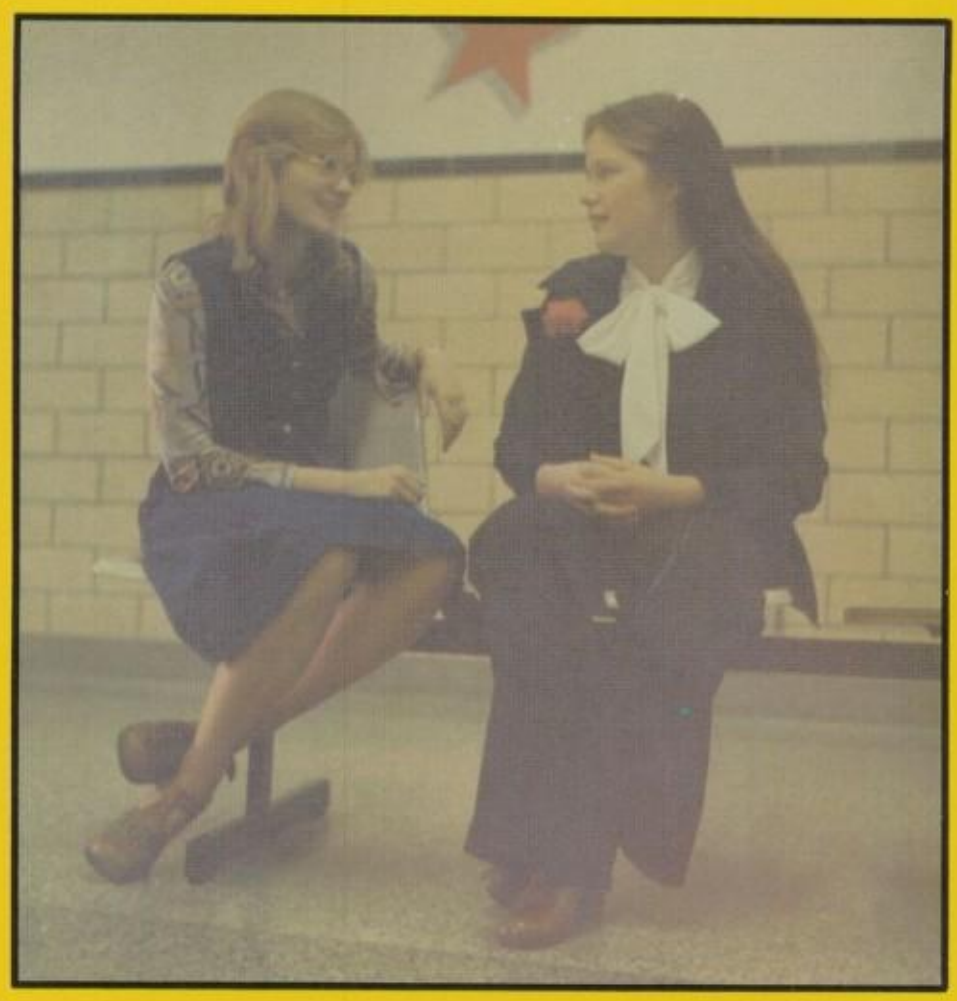
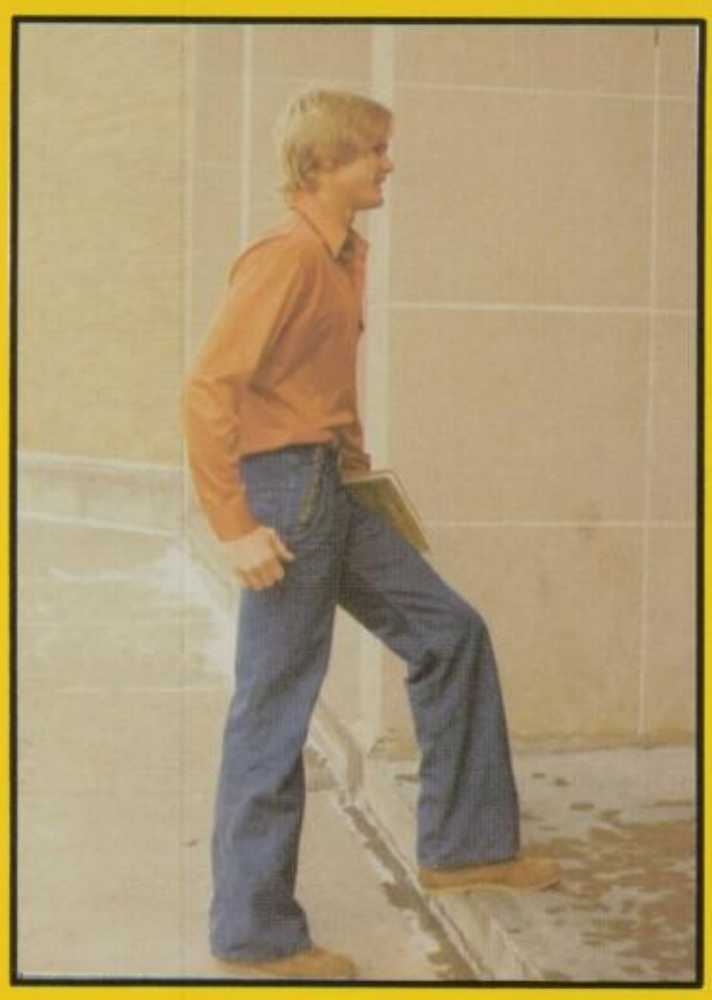
SPOTLIGHT ON... SPIRIT







HERE'S LOOKIN' AT YOU KID

Fads and fashions for 1977 were designed for the movies as well as the age of unisex. Cardigans, clogs French-cut pants are neat-looking and practical.

The colors of clothing, make-up, nail polish and jewelry are bright primary colors which are nicer looking to film than the pastels of the past.

And, for movie-goers, cowl neck sweaters, knickers, gauchos, boots and pant-dress suits are casual, yet stylish.

Mickey and Debbie Create Homecoming Memories

Just to have been able to be there and take part in the Homecoming celebration was a thrill that I always will remember. Everyone here at Stebbins has always been so helpful and when Debbie was announced as Queen all the warmth and kindness of each person was there with her.

The dance and all the activities were just fantastic and all the success gives great tribute to the Student Senate and everyone at Stebbins. Everybody worked so hard. The memories they brought to me will live forever.

Steve Othling

People have given me so much here at Stebbins, their love, friendship, and understanding. But when you gave me the title of Homecoming Queen, it was too much. I couldn't believe it. I was so happy and thrilled, I can't even begin to explain it... I still cry. I'll never forget that night and all the beautiful memories, they shall always be with me forever... I am so honored.

Debbie Jayne

Homecoming is always a special time here at Stebbins, and this year was no exception! The classes competed with extraordinary vigor and each had major triumphs. The announcement of Queen Debbie and her court and the beautifully decorated dance climaxed a fantastic week. Student Senate put forth much time, effort, energy, and resources in presenting the week's activities, and they can take pride in a job well done!

Bert Beesler 1975 Homecoming Queen

When You Wish Upon a Star . . .

On Oct. 8th Stebbins once again had a successfully brilliant Homecoming. Student Senate put forth the theme "A Disney Fantasy," and with the help of the Disney characters, they seemed to come to life. Mickey led the Homecoming Parade with the floats of Dumbo the Elephant, Peter Pan, Bambi, and Winnie the Pooh.

The announcement of the 1976-1977 Homecoming Court highlighted the evening when Bert Beesler, 1975 Homecoming Queen crowned Debbie Jayne for 1976. The senior attendants were Diane Dalton escorted by Kirk Jundt, Tammy Green escorted by John Smith, and Shirlann Knight escorted by Bobby Allison.

The junior attendants were Connie Browzowski escorted by Dave Back Donetta Jones escorted by James Jefferson, and Jackie Keys escorted by Roger McCreery. The sophomore attendants were Phi-anh Doan escorted by Clay Wright, Beth Coleman escorted by James Hensley, and Lynn Casella escorted by Jeff Hazelwood. The attendants looked elegant and glowing that night, which made a beautiful Homecoming court.

Dreams Do Come True

Homecoming 76-77 was a whirl of activities using the theme "A Disney Fantasy". On October 9,1976 the last night of the festivities was concluded with the dance held in the cafeteria. Music was provided by the band Moriah between 8:00 and 11:00. Decorations from the class hall contests held during the week furnished some of the atmosphere for the dance. The court was led by Queen Debbie Jayne who reigned over the dance beautifully. The hard working Student Senate did a great job preparing this memorable event.

Spirit Raised By Disney Fantasy

This year's Homecoming Pep Assembly was once again an exciting morale booster for the team. Following tradition, the classes competed in a bed race which the juniors won. They were followed by the seniors and the sophomores ran a weak third. The Scalp cheer, led by the cheerleaders, was a special occasion for seniors because it was their last Homecoming. The cheerleaders performed a new skit which included choosing the best chest among the football players. Mike Jefferson captured the title and the first runner up was Doug Guthrie. The Student Senate did a great planning job. WE LOVED IT!

Charlie Brown Wins at Stebbins

"You're a Good Man, Charlie Brown" warmed the hearts of students and adults alike as all the loveable Peanuts characters came alive at the musical this spring. The auditorium was packed as the young actors enthralled the audience with singing, dancing, and humor. The play also went on the road to neighboring elementary schools, providing many youngsters with the magic of meeting their favorite characters.

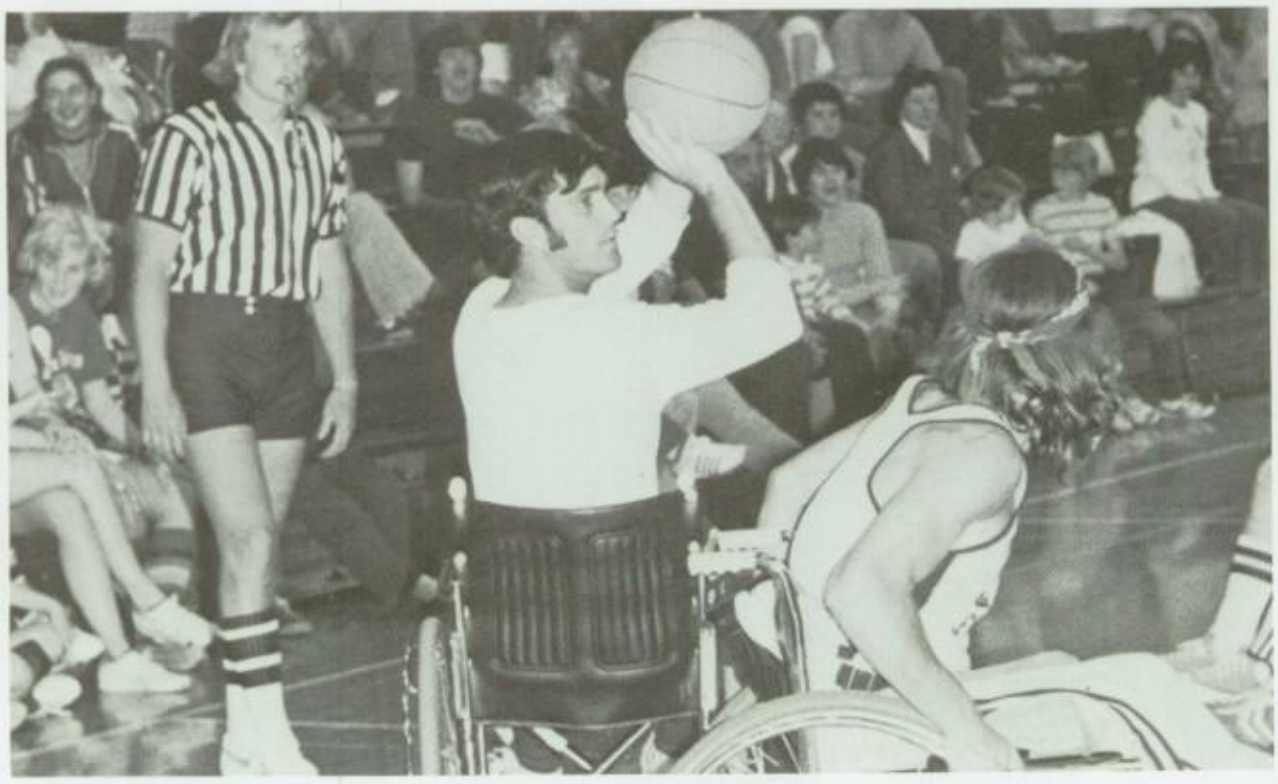
W.S.U. Wheels In Victory



Wheelchair basketball has become a traditional event at Stebbins. The money raised benifits the Stebbins' 1977 Scholarship Fund. During this year's game, the Wright State players were up to their usual dirty tactics which included tipping over chairs and corraling the Stebbins' players who had the ball. We lost this time but the score was very, very close.

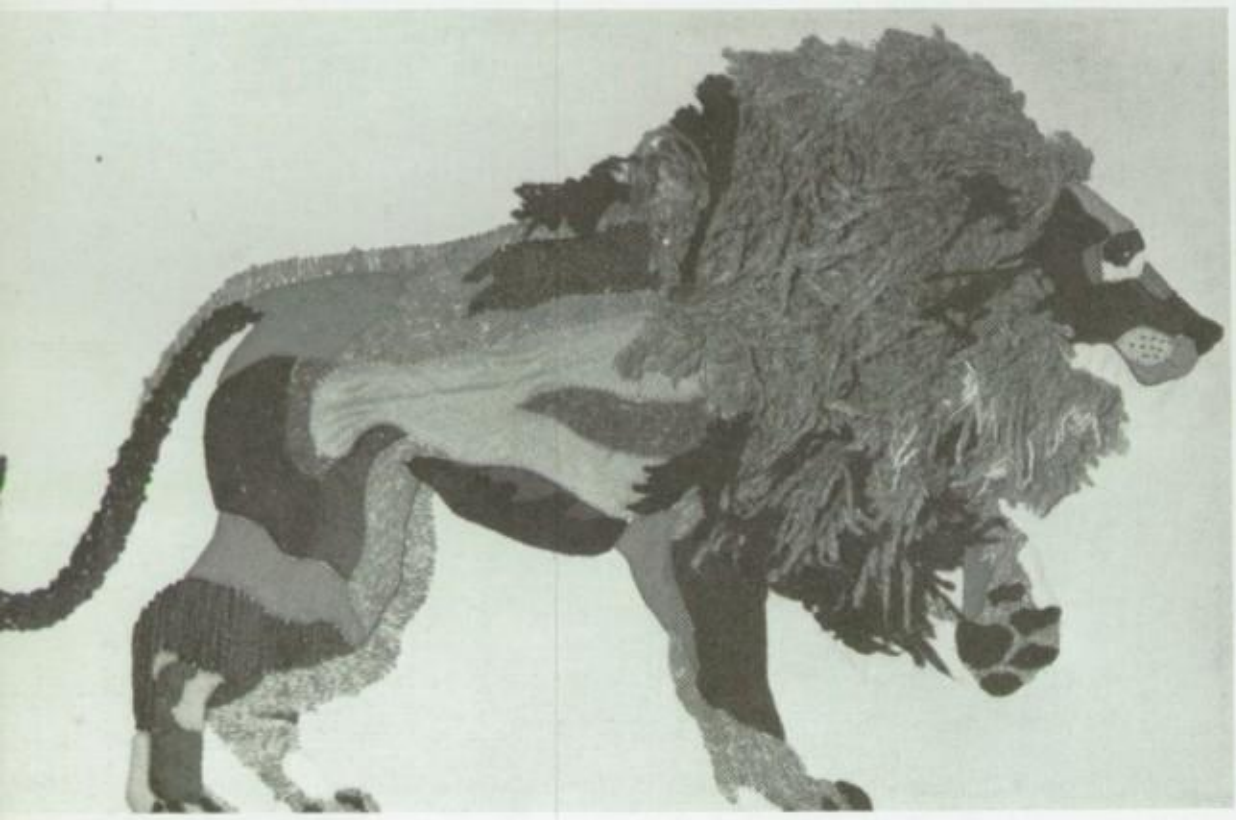
Student Artists Display Talent During "Expressions 77"

Student art work was on display at the Art Fair in the cafeteria during the Booster Carnival. Mobiles, oil paintings, watercolors batik, macrame and sculpture filled the room. Mr. Jim Nordmeyer, our artist in residence, presented a slide show and many of his own batiks. Talented students worked on their own special projects during "Expressions 77" to intrest parents and other art lovers.



Field Day Performances

The setting was the football field and track for Field Day 1977. All performers took their places in the wings as the band struck up a tune commencing the beginning of the games. The participants paraded around the track, then took their places as the activities began.

Seniors came out ahead, barely edging the Juniors, who took a very close second. The Sophomore made a great effort but slacked off in the final act to take third place. Field Day united the classes in an exciting and funfilled competition, complete with eating contests and, a tug-of-war.

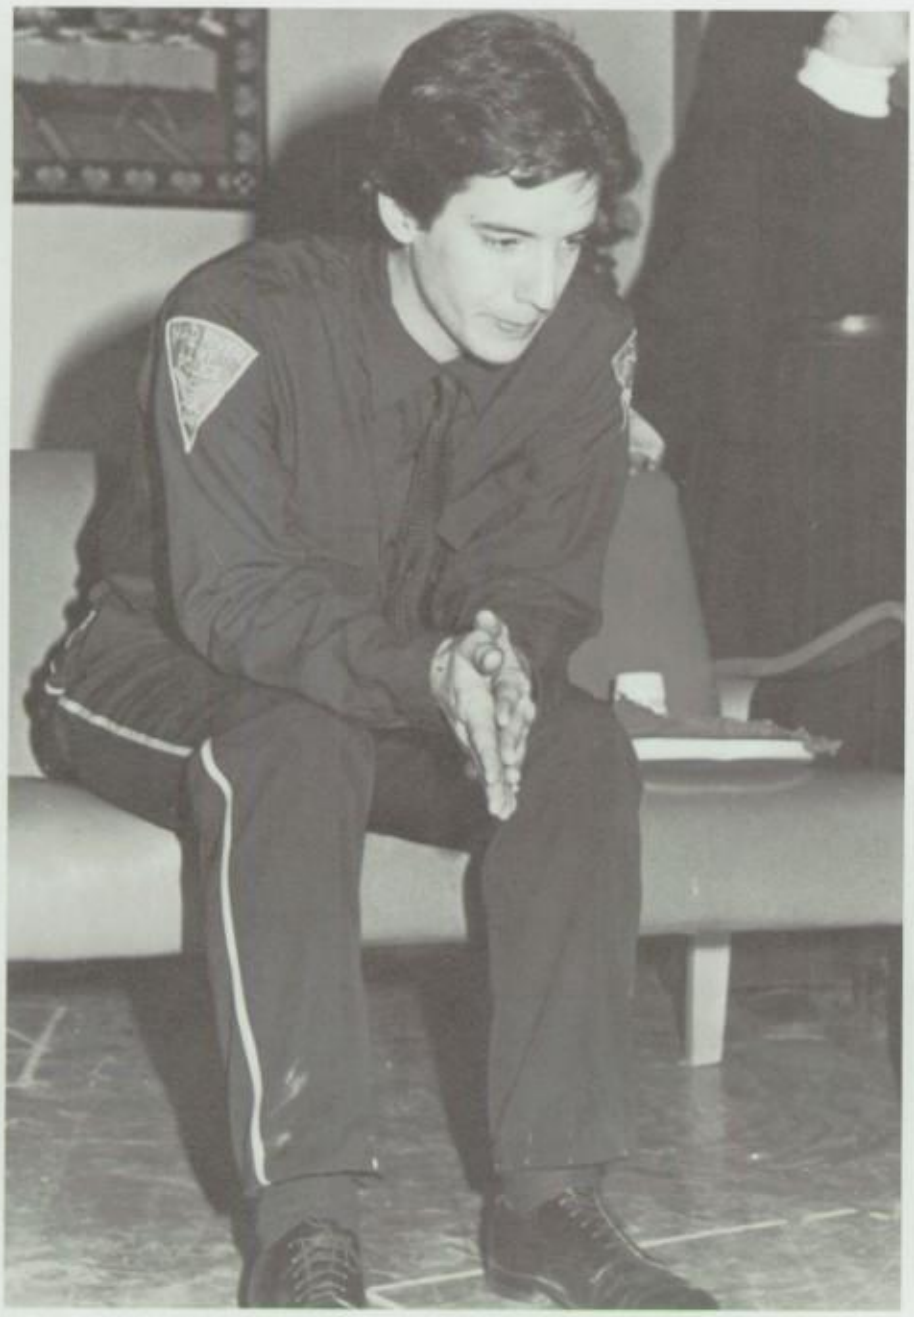
Musical Talent Pays Off

May 24th was the height of this year's music awards held in the auditorium. Awards were given to outstanding members of the music department. Many excited faces listened as next year's officers were named. Vicky Hensley was named president of Choir; Eric Jundt is president of Tri-M;Ed Waker is president of Band; Drum Major is John Neil and Eric Jundt is also Student Director of band.

Murder Runs Rampant In Convent

This exciting murder mystery takes place in a convent near New Orleans. Soon after hiring three new male instructors, a schoolgirl is murdered and another is brutually beaten. Sherrif Thatcher and his deputy have suspicions but cannot discover who the murderer is. Thillium Pierce, after being betrayed by Glory, the maid, must fight for her life in this suspenseful chiller. "Murder Takes the Veil" directed by Ms. Sara Dixon, was a big hit both on stage and off.

Mother Theodore comforts Trillium after her brush with death.



Sherrif Thatcher contemplates murderer's next move.

Actresses stay in character during curtain call.

Laughter Fills Stebbins Auditorium

"Cheaper by the Dozen" was presented on Nov 19, 20, 21. This is a comedy about the Gilbreth family of 12 children and a domineering but kind father. Mrs. Gilbreth is a lecturer in psychology and uses the knowledge in raising her family.

The play deals with Anne, the eldest daughter, and how she rebels against her father only to discover he has a bad heart. This is a light-hearted comedy with meaningful scenes for all. Humor with a message.

"Memories — Precious And Few"

The Walter E. Stebbins Air Force Junior ROTC Annual Military Ball was held at the WPAFB Recreation Center on April 16 from 8:00 to 11:00 p.m. The theme for the Ball was "Memories- Precious and Few." The music was provided by the Air Force Band of Flight. The ball was attended by 120 cadets, dates, and guests. Karen Lemmon was crowned queen.

Awards Ceremony Highlights Year

The annual AFJROTC Review and Awards Ceremony is held at the close of the Academic year to provide the cadet officers an opportunity to plan and present a formal review as is held in the U.S. Air Force. At this time outstanding cadets are recognized for achievements during the previous year. The ceremony includes Adjutants Call, Sound Off (at which time the Military band plays and marches before the line of cadets) Officer's Call, Persentations of awards and a "Pass in Review." The highest award was given to James Greene, The Air Force Association Medal.

Crowning Moment for Judy and Ed

The 1977 Jr.-Sr. Prom was held at Antioch Temple on April 23. Couples dressed in elegant formals and classy tuxedos, danced to the music of the Stevens Brothers. The crowning moment happened when Judy Vallerie was chosen Prom Queen and Ed Burkhart was honored as King. The Senior attendants were Sandy Cors escorted by Ron Flohre. Junior attendants were announced as Jackie Keyes and Tom Pilutti. After-prom was held at the Kettering Recreation Center from 1-4. Judy and Ed highlighted the evening for Prom 1977, "Color My World." For the seniors it was their last dance.

The Stevens' Brothers perform

"Senior Prom was one of the most exciting events in my life. My advice to anyone with doubts about going is to grab this chance and have the time of your life!"
Lori Kogge, senior

"People can have dates and then people can have exciting dates, and for me Prom was a one time shot that can never be equaled, or if it can be I don't know how."
Phillip Leaman, senior

"I thought everyone looked great at Prom. It is not very often you see everyone dressed up as well as they were. It was very exciting. I enjoyed it a lot."
Tammy Jayne, junior

Graduation —

Seniors were united for the last time at Stebbins on Sunday, June 6th. Students met graduation day with mixed emotions. Most were both happy and sad, excited yet afraid of the future awaiting them. After the farewell speeches and awarding of scholarships the students took their last walk through the gym to accept their diplomas.

Smiles shone through tears as last hugs were exchanged and best wishes were made for the future.

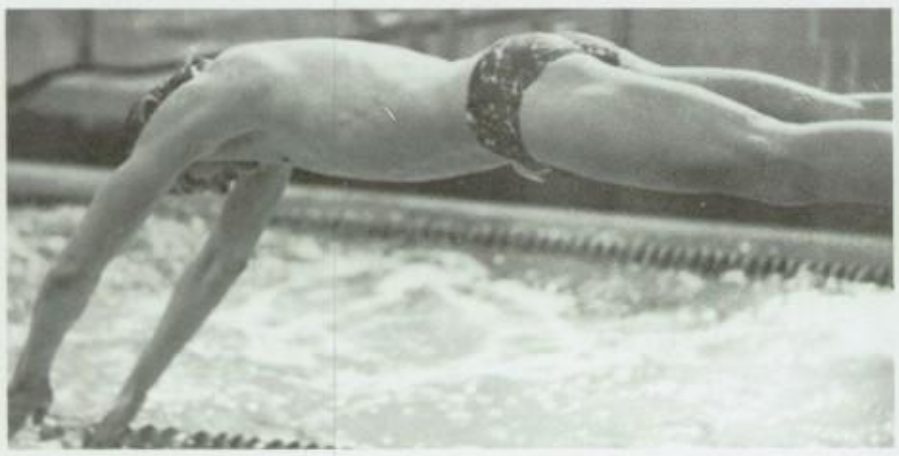
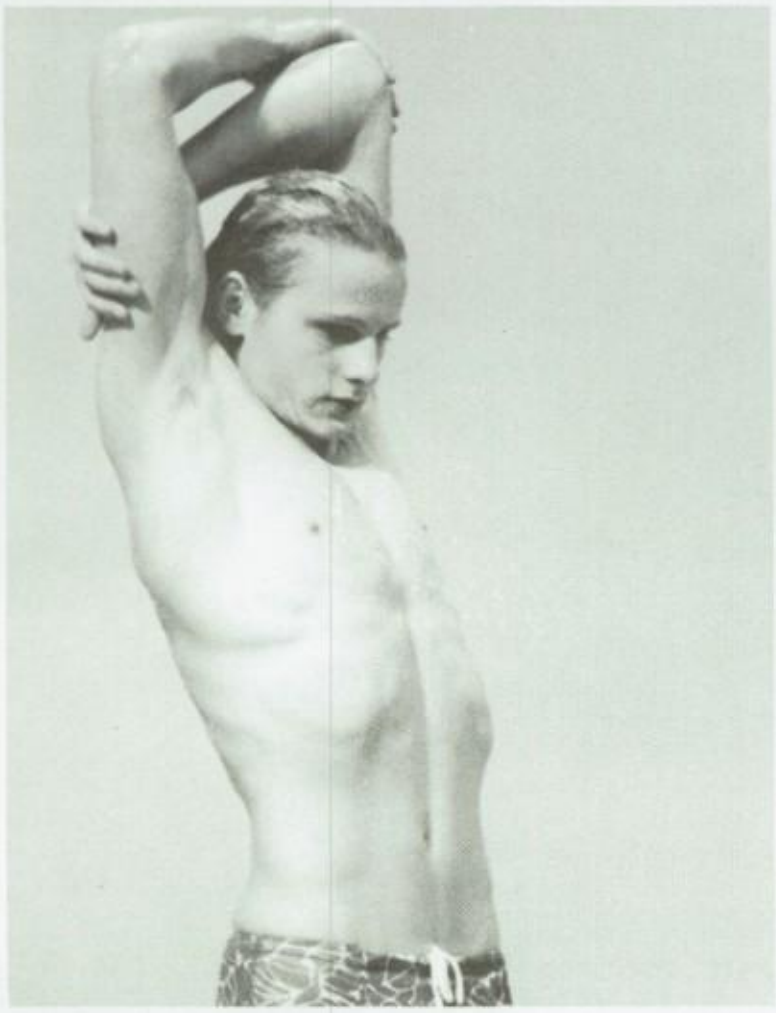
Swim Team Makes Mighty Splash

The swim team only consisted of two members this year, Brian and David Back. They both participated in sectionals held at Wright State. There Brian qualified for regionals in the 100 yard backstroke and the 100 yard butterfly. David qualified for the 100 and 200 yard freestyle.

At regionals, Brian qualified in the 1oo yard backstroke which made him eligible for the state meet held in Canton. Brian finished 8th in his event at the state meet.

The swim team will increase in size a little bit next year, Brian and David have a younger brother who will be a sophomore and will swim for Stebbins.





Golf Team Gets Clubbed

This year's golf team had an unimpressive season, compiling only three wins in fifteen matches. There were many new members, and hopefully with experience from this year the team will improve. Seniors Steve Othling, Rick Redinger, Dennis Dzielski, and Gary Gates will be missed, but last year's juniors are ready to fill their shoes.

Scores Low, but Spirits High

Indians football team had a very disappointing year, winning only one game against nine losses. Our one win, however, was a big one, coming against Stebbins' traditional rival, Beavercreek. A sad note was the announcement that Coach Schneider would be retiring after this year. Perhaps next year, with new blood on the team, the Indians can have a winning season.

Bockrath Takes All-Dayton Award

The football team this year had one member to make the All Greater Dayton Coaches Award. He is senior split end Jeff Bockrath. Also honorable mention for all WOL was received by Tim Bilinski, Ronald Flohre and Jeff Bockrath. Jeff said he was, "very proud to receive such an award, but he wouldn't have received it without the help of the whole team." Also to receive awards this year was Mike Fannon for best offensive lineman, Bob Lotz for best defensive back, Ron Flohre for best defensive lineman. Ron also received a 3rd year award and Jeff Bockrath received an award for best offensive back. Congratulations to all these men. Your awards were well deserved.

X-Country Loses Last Leg

The 1976 cross country team had an extremely disappointing year with a record of 1-7. Much to the team's disappointment, they failed to place higher than fourth in any tournament. Coach Taylor commented that very few young men went out for the team this year. Hopefully there will be a bigger turnout next year when the new team is chosen. Then the team can regain its usual winning ways.

Indians Upset Dragons

An overtime victory over Fairmont West and a win over Kiser were the brightest spots in a dismal long basketball season. With Virgil Kennedy finishing in the top 10 in rebounding and scoring in the WOL and Tim Elam having a double figure scoring average, the Indians can surely look forward to a brighter tomorrow.

Reserves Show Ability

The reserve team had a respectable year with many expected to help the varsity team next year. The reserves games were ones of tension and anxiety. These young men surely will prove themselves next year.

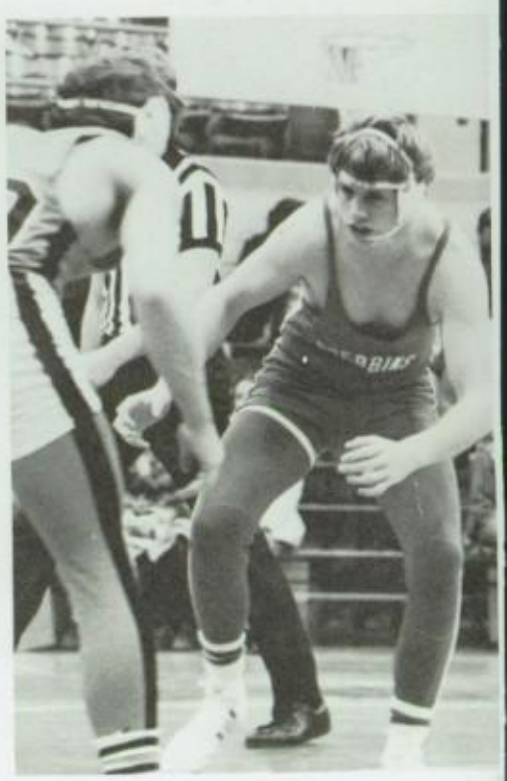
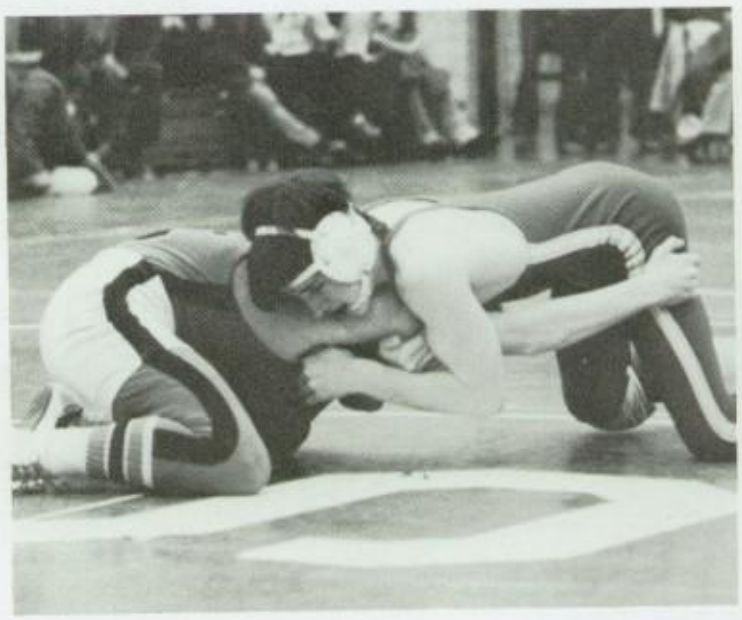
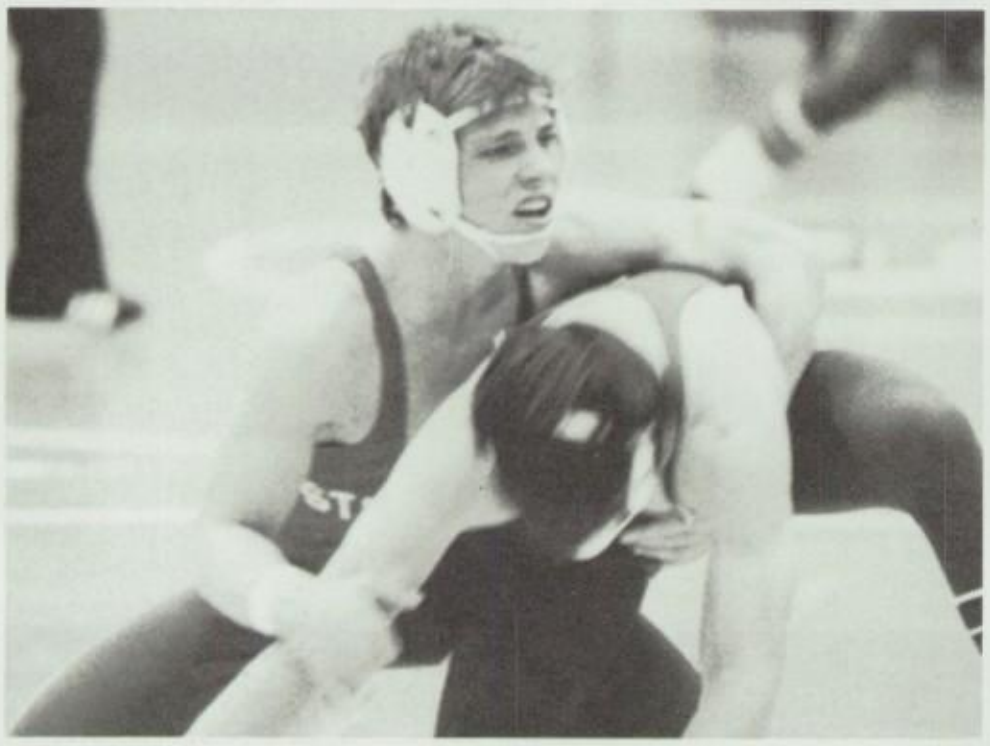
Wrestlers Win Big!

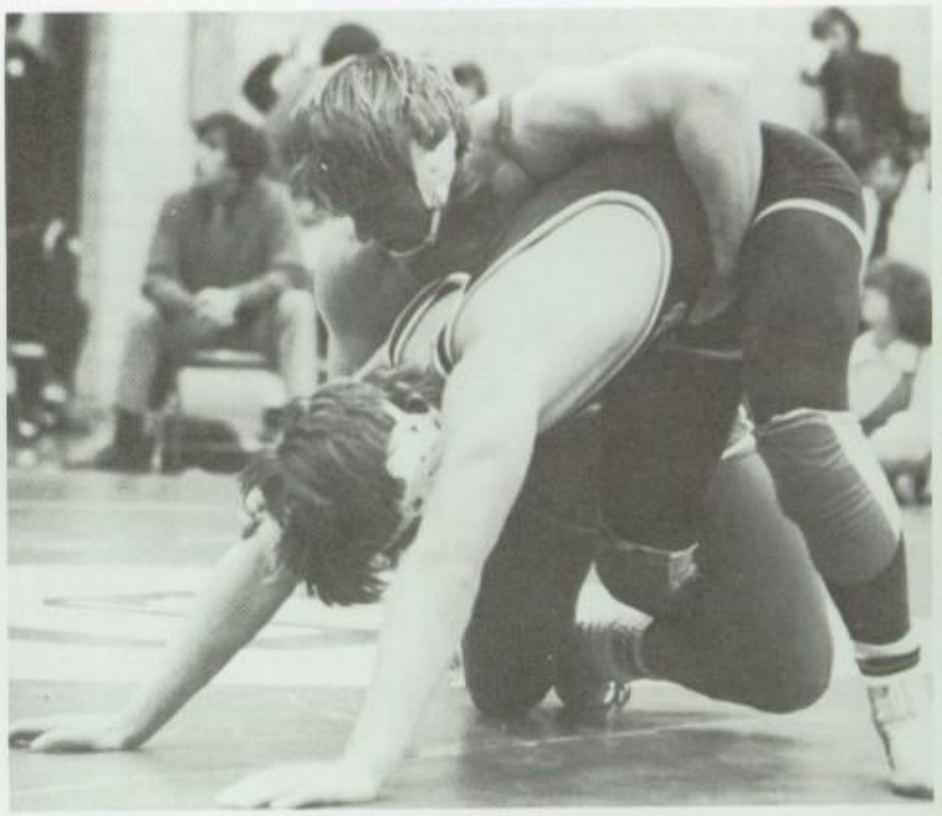
Although the wrestling team had a very respectable 6-3 record they actually fared much better. Stebbins' wrestlers were spotlighted in numerous tournaments. Several young men just missed qualifying for state tournaments. Senior Gary Gates qualified for the state match but had a disappointing finish because of illness.

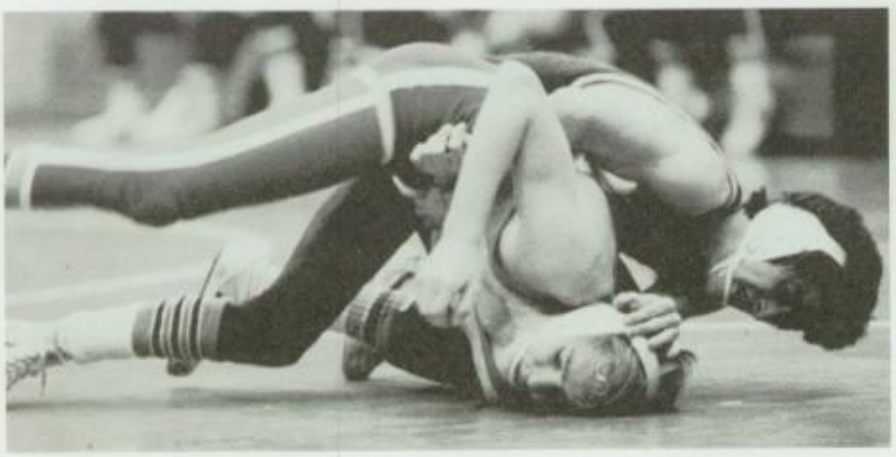


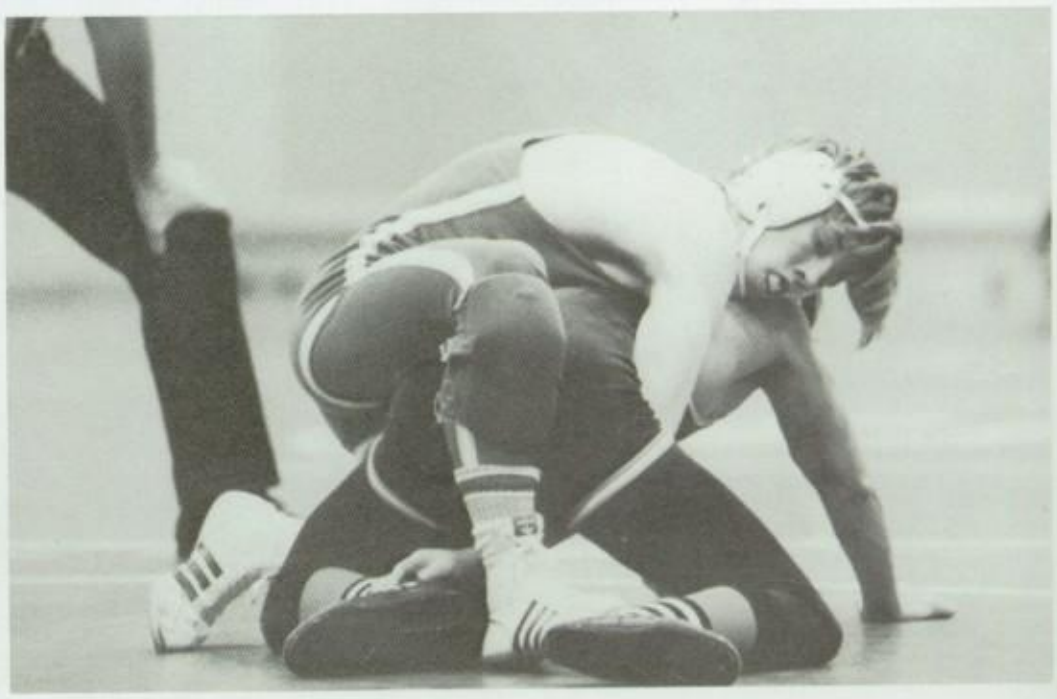


STEBBINS









Baseball Team Stops Short

The baseball team had a relatively good season, achieving an 8-12 record. Coached by Mr. Heinke, the team did better than their record showed. One player, senior Gordon Fuller, was recognized in the Journal Herald honor role for outstanding pitching and hitting. Coach Heinke hopes that next year another outstanding player can be found to fill the gap Gordon's absence will leave.

Indians Have Running Start

This year's track team had it's ups and downs. The Indians this year weren't as good as last years team, but we did have a lot of outstanding new competitors. Some of these were; Brian O'Berry in the long jump and pole-vault, Tracy Beatty another pole-vaulter, Erik Miller our two miler, and Virgil Kennedy in the high jump. We will give recognition and a great round of applause to all the members of the Walter E. Stebbins track team of 76-77.

Volleyball Deflated

The girl's volleyball team had a mediocre season with a 4-9 record. A bright spot for the team is the fact that most of the key players will be returning next year, hopefully learning through experience.

Left to right: front row- T. Ladislaw, D. Morris, B. Neingadly, S. Chapman, A. Foster, C. Taylor, R. Aniton, R. Reynolds, K. Singletary, K. Owens. back row- Miss Blevins, M. McCoy, P. Duke, D. Jones, T. Wheeler, M. Kostic, R. Hutchings, S. Carrison, D. Whiteman, C. Mino, Mrs. Meyer.

Softball Scores!

The girls' softball team had an outnding season, winning 13 games in decisions. Hitting and pitching were wless, more than making up for the es in the defense. Senior Eleanor eman did an excellent job pitching will be sorely missed next year. e rest of the team will be returning t year, including grand slammer talie Drosdak and big slugger Terri eeler.

Left to right: front row- T. Wheeler, E, Wright, M. Kremel, J. Kemp, P. Petrich, M. McCoy, Back row: J. Duke, C. Mino, E. Coleman, C. Ludlow, N. Drosdak, S. Repak, Miss Blevins.

Varsity Strives for Improvement

Despite only two wins against eleven losses, the girls' basketball team showed great enthusiasm this year. All the losses were tough, close games, and with star players from the reserve team, the girls' varsity squad should show marked improvement next year.

Girl's Tennis Faults

Girls tennis left alot to be desired this year. Even though they didn't acheive much of anything, this was the first year for Stebbins to be able to participate in a tournament. It was a prosperous season and the girls showed that it was a good experience for both Miss Warner and themselves. The team holds future hopes for next season.

Senate Keeps Students Informed

Student Senate is composed of 19 members who are chosen by their fellow classmates. These members are responsible for the organization of student activities in all three classes. They sponsor such activities as Field Day, Homecoming, Pep Assemblies and Sock Hops. This year's Homecoming Festivities were centered around the theme "A Disney Fantasy". A new project compiled by the Student Senate is student self-scheduling. This project will allow the students to pick their teachers and classes at specific times in the school day, when they register for next year.

Yearbook Edits "The Movies"

The Yearbook Staff at Stebbins High School works year round to meet its deadlines by early spring. This years theme "Movies" was carried out throughout the book by creative artwork and picture portrayal. With the help of our co-editors, Karlene Beall and Trish Ondo, our efficiently organized staff meets its pressured deadlines. Most yearbook staff members attend summer school prior to the oncoming school year. This year the school bought a new machine called a composer that allows us to set our own type. To meet the cost of paper, printing and many other expenses, we raised the price of the book but also enlarged the size.

Thespians Act It Out

The Thespians is a hardworking group of students who are interested in furthering their education in the field of dramatics. Their president is Betsy Hamilton, vice-president, Diane Dalton; secretary-treasurer; Vicki Hensley; and Pat Shaub is historian. Thespians hold an initiation every year. The incoming members attend school in costumes prepared by the present members. The Thespians performed "Cheaper By The Dozen on November 19th through the 21st. They held their annual awards ceremony at the La Comedia Dinner Theatre where the new members were formally introduced.

Changes Fire-Up Smoke Signal

This year's Smoke Signal Staff has once again produced a great newspaper. A new advjsor, Mr. Ullery, contributed immensely to the improvement of the paper. This year's co-editors were Linda Whelan and Clay Wright. The paper featured a select group of seniors who were chosen by their fellow students in specific categories. The categories consisted of classiest male and female, best legs, friendliest, cutest, most spirited, most intelligent, and most athletic. They also had special feature stories that included an interview with the new superintendent, Dr. John Rockhold.

Schools Match Wits Grand Champions!

For the third consecutive year Stebbins' Schools Match Wits team captured a first place award on WKEF's televised competition between schools. Not only did they receive a first place trophy but they also have in their possession a grant traveling trophy that is now being permanently shown in the ASMW trophy case. With the help of the co-advisors, Mrs. Kemmerly, and Mr. McCray, the team put in money and long hours of starting early in the beginning of the school year. The team completed the 1977 season with a seven wins and no losses record.

Split Molecules and Split Heads

The Stebbins' Science Club is provided as an activity for those students who have exceptional interest in science and its application in our daily lives. During this school year there were programs presented by Wright State University, the Audubon Society, etc. Field trips and an annual picnic are among Science Club activities. Our science club is affiliated with Future Scientists of America.

ROTC Grows

The popularity of the Stebbins' ROTC program is due to the close existence of Dayton's Wright Patterson Air Force Base. Because of the strong leadership and teaching Sgt. Florintine many students, on graduation, enter the Air Force as a career. This year's ROTC held its annual military ball, sold Stebbins' pennants, and held a major event at the end of the year, the annual Pass and Review.

Varsity "S" Club Hawks Turtles

Varsity "S" is an organization designed to allow athletes who have lettered in a sport to demonstrate their concern for the school and local community. Varsity "S" contributes to the scholarship fund through money raising events.

Members sell pecan turtles and sponsor a booth at the carnival each year.

New Style Brings Awards

The 1976-77 Stebbinettes started off an award winning season with a whole new style. Top hats, new props and a change in style was a key to the Stebbinettes flair. The many hours of hard work, including the split session of practices in July, proved worthwhile for the upcoming season. Being invited to the Holiday at Home Parade, the Mad River Township Parade and the Montgomery County Fair all in one weekend showed the devotion of every drill team member. The Stebbinettes not only marched in parades, they were invited to preform at a UD Football game and went eith the band to the Northmont and Wayne Band Festivals. The drill team also competed in many contest this year all of which they placed superior in their class and for the first time in the history of the Stebbinettes they captured a 1st place at Xavier University. Much of their success is attributed to advisor, Mary Soltau and assistant Penny Walters.

Drillies Turn Red

"My most embarrassing moment was when performing at a football game I got my pom-poms stuck in a trombone."
Julie Shoemaker

"My most embarrassing moment was at Band Camp when I knocked down a parking lot pole with my bare hands. Ever since then I've been known as the BIONIC DRILLIE.
Donna Mullins

"Our most embarrassing moment was at a football game when we bent down to drop our poms and forgot about the wrist straps. We stayed there struggling while everyone else got up for the routine."

Band Takes a "Free Ride"

The 1976-77 Stebbins marching band season began full force with weekly practices beginning in August. The strong sound of the band was first displayed parents night at Band Camp at Bluffton College. Many other performances included Montgomery County Fair, the Kettering Holiday at Home Parade, the Mad River twp. parade and a UD football game. The band also attended Fairborn Baker marching Band Contest and proudly took home a ninth place trophy. The pep band directed by Mark Jones accompanied the drill team to many contests where they received various awards and placed "1st" in State and National.

Cheerleaders Hold Off Aggressive Crowd

The 1976-77 Cheerleaders had their hands full with this years exhuberant crowds. On each Thursday before the big game the cheerleaders prepared numerous goodies for the team such as brownies, cookies, and cupcakes. To promote school spirit, tags were made for each athlete. But despite the number of losses, the cheerleaders kept up their enthusiasm for the fighting Stebbins Indians.

French Club Looks at Both Sides

A new organization this year at Stebbins was the French Club. The club explored the differences and similarities between American and French customs and traditions. One member of the club, Phi Doan, won first place at the state scholarship awards test in knowledge and usage of the French Language.

The Club also held their annual Art Show, "Expressions-77", May 15, 1977.

VICA Gives Rise to Future

Stebbins' Vocational Class offers a wide variety of subjects for students to consider when deciding on a career. Such subjects as Cosmotology, Drafting, Clerical, Electronics, and Auto Body are all ottered. The VICA Association is organized to provide training for students in a scientic field. Almost half of Stebbins' students are involved in the VICA organization. The VICA Club held its 2nd Annual citrus fruit sale. Orders were taken in November and the fruit was delivered during the week of December 13th. The fruit consisted of grapefruit, oranges, and tangelos. More than $3,500 was made in profits.

Students Prepare for Office Career

The Clerical Class is oriented toward secretarial work as a vocation. This pre-employment program trains students in the skills needed for their specialized field. All Vocational Business Classes attended the OOEA Regional Convention where the years regional officers are elected. The Business Classes also celebrate OOEA Week and attended the State Convention at the Veterans Memorial. The class also took a trip to Kings Island where they enjoyed themselves immensely.

Mr. D. Witaker

Administrators have perhaps, the most demanding jobs at Stebbins. Thier day at school nearly always extends past 2:45. Hassles with schedules, energy problems, tornado drills, meetings, and banquets fill the lives of these rapidly greying men. Without them the process of education would halt.

Counselors and Secretaries Operate Offices

Counselors help the students in many ways. Changing classes, how many credits you have and what class you need to take. These are just a few of the many things the counselors do.

The secretaries are always there in the office when you need them. Forgotten locker combinations, telephone messages, demerit slips and tardy notes are their specialty.

Visiting Poet Inspires Writers

Stebbins English Department tried an innovative method to inspire students to write. For a week in May we were visited by Mr. Phil Boiarski, a poet, who spent hours talking and reading his poems in many classes. He also held individual sessions with creative writing students. Mr. Boiarski felt that Stebbins students were attentive and energetic. He was impressed by student efforts in poetry.

Science Dept. Unravels Clues

The science department helped unravel the mysteries of the universe. New biology students studied the workings of the earthworm as the future pioneers of chemistry explored the basic design of molecules and the Bronsted-Lowery for protolysis. Physics students examined throughout the year, the pressure forces of a squirt gun.

Math Dept. Adds New Member

Functional math is offered to the student to help them get a basic background in math. For the studdents that plan to further their math education after high school are offered, Algebra I and II, Trigonometry Calculus, Senior math and Geometry. A new addition to the staff is Mrs. Sara Meyer.

"The Movies" Come to History

Improvement was obvious in the history courses this year. Students became more familiar with events by seeing such movies as "Missiles of October" and "The Autobiography of Miss Jane Pittman." Instead of being a memorization course of dates and names, history brought students into the lives of memorable figures.

Drink and Driving Don't Mix

This year's Driver's Education and VANT classes were a new experience for sophomores. The VANT class is equivalent to health class and studies VD, Alcohol Drugs and Tobacco. After each unit a movie dealing with that subject is viewed. These classes are both required for sophomores and are taught in alternating semesters. Driver's Ed. is taken in two parts. One part is spent learning rules for safe driving, while the other part is spent in a simulator Trailer outside the school. The simulators put students in the driver's seat while viewing various movies containing different driving hazards to avoid.

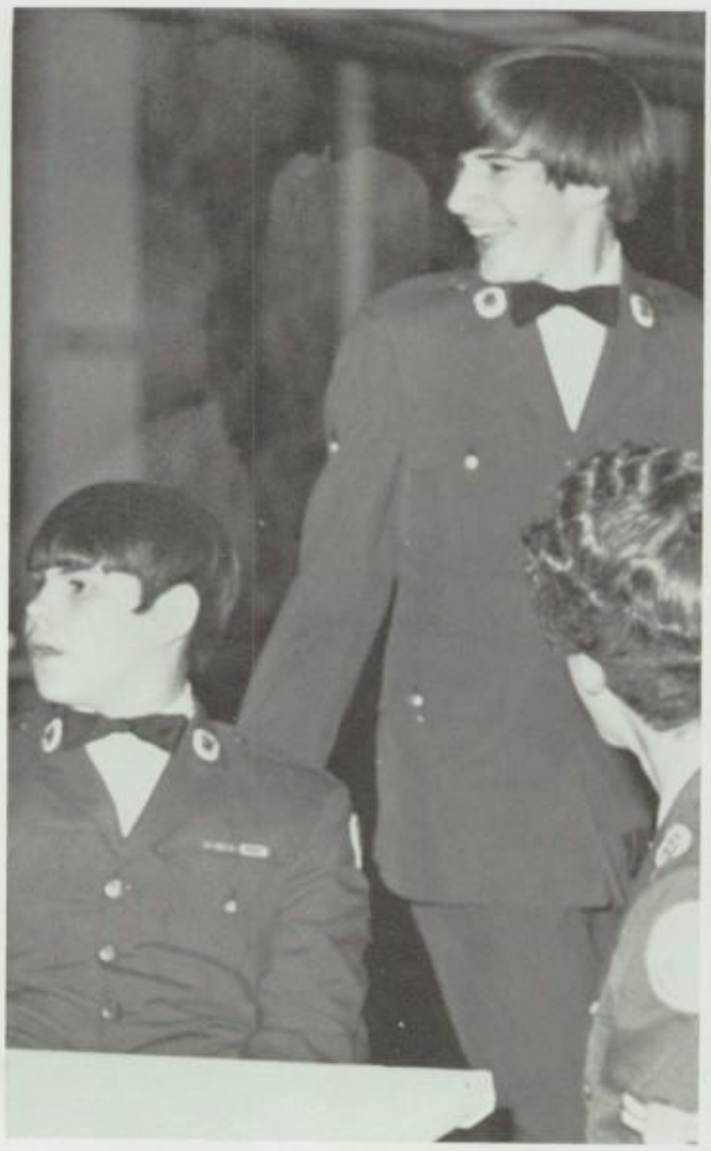
ROTC Keeps Cadets on the Move

In AFJROTC students participated in such activities as: The Annual Dining-In which is held in the school cafeteria and is attended by parents as well as cadets. The Annual Military Ball which is a formal dance held in the Wright Patterson Air Force Base Recreation Center. The Annual Review and Awards ceremony which culminates the activities of the year and gives the cadets an opportunity review. They also participate in field trips to military installations in the area and in parades in the Dayton area. Other activities include, picnics, bowling, an annual Christmas party and other social events with schools in the area which host the AFJROTC program.



Teachers Fed Decent Meal

Cooking is only a fraction of the home economics program. Sewing, child care, budgeting, and nutritional planning are the basis of many class room activities. Students invited teachers for breakfast and lunch. Ham rolls with peas, scrambled eggs and sweetrolls were served to starving faculty members.

Work Programs Flourish at Stebbins

The work program at Stebbins consists of OWE, OWA, and COE These programs are designed for students who wish to gain practical experience by working outside the school in the business community. Students leave school at 10:10 a.m. to report to their jobs. OWE is a two year program offered to juniors who must be sixteen. OWA is offered for sophomores, and IPI for students who have speicial needs.

Seniors Capture Spotlight

Just as movies change through the years, the senior class of 1977 has changed furing their 3 years at Stebbins. As sophomores we had a-lot to learn and experience before fitting the role of a senior. There was the first Homecoming and next the junior-senior prom, both provided fond memories and experiences.

Our year as seniors was a good year despite many problems. The display of spirit by the class of 1977at games and pep assemblies was tremendous. We gained the most spirit points and won the spirit plaque. Like a movie it was a good show with an excellent cast.

Juniors Win Bed Race

This year the class of '78 has shown that class unity is still a real thing. At Homecoming the Juniors won the bed race for the second consecutive year. Many car washes, a candy sale, and a sock hop were held to raise money for their Prom.

Only one more year at Stebbins, and they plan to make the best of it...because the class of '78 is great!

Sophomore Spirit

Due to lack of student body intest and the teacher's strike in August the Sophomore class was three weeks behind in picking their class officers and preparing for Homecoming events by placing second behind the seniors. Here are a few comments about Stebbins and our first Homecoming;

"It could be exciting but it's not." Allan August

"The music at homecoming could have been better. The school is all right." Tony Baker

"The dance itself was a memorable experience. The school leaves a lot to be desired." Cathy Mack

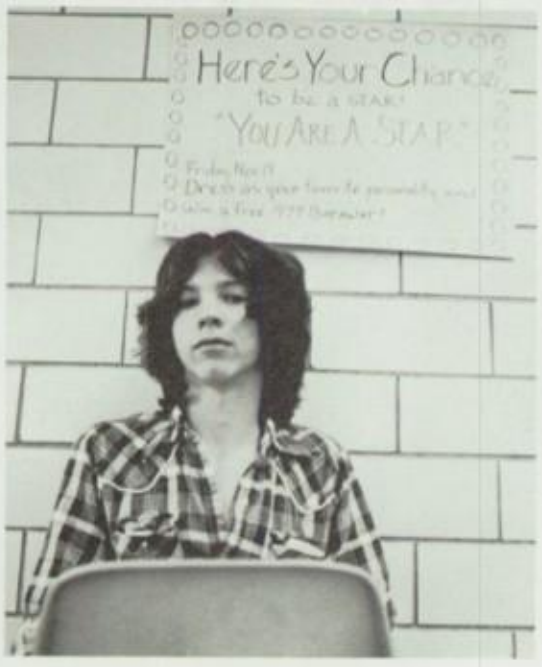
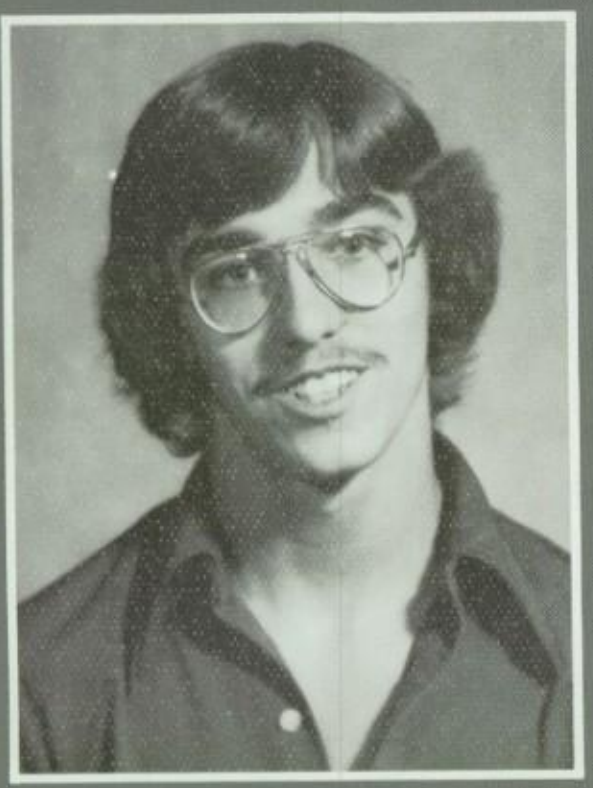
Sophomores showed much spirit throughout the year. They defeated Juniors in hall decoration and both Juniors and Seniors in the 77 Homecoming float competition. The theme for homecoming this year was "Disney Fantasies" and the sophomores expressed their creativity by designing a replica of bambi with a moving butterfly on his tail. Overall the spirit of the sophomores really showed through on field day, the final event of the year (76-77). Some of the highlights of the afternoon were Scott Huff setting the new record for the watermelon eating contest, also Chris Mino showed her eating talents in the pie eating contest. The sophomores last burst of spirit took place in the final scalp of the year when all the participating sophomores put forth all the effort they had.





Lawrence David Sprout

Throughout his sophomore year at Stebbins Buddy was continually active. He was a strong believer in physical and mental strength. He showed us this with his total participation in everything he tried.

Being the pleasant young adult that he was, his friends enjoyed being with him and sharing his friendship

Buddy participated in the choir a musical, and the football team.

Elegy
Edna St. Vincent Millay

Let them bury your big eyes
In the secret earth securely,
Your thin fingers, and your fair,
Soft, indefinite-colored hair--
All of these in some way, surely,
From the secret earth shall rise.
Not for these I sit and stare,
Broken and bereft completely;
Your young flesh that sat so neatly
On your little bones will sweetly
Blossom in the air.

But your voice- never the rushiag
Of a river underground,
Not the rising of the wind
In the trees before the rain,
Not the woodcock's watery call,
Not the note the white-throat utters,
Not the feet of children pushing
Yellow leaves along the gutters
In the blue and bitter fall,
Shall content my musing mind
For the beauty of that sound
That in no new way at all
Ever will be heard again.

Sweetly through the sappy stalk
Of the vigorous weed,
Holding all it held before,
Cherished by the faithful sun,
On and on eternally
Shall your altered fluid run,
Bud and bloom and go to seed;
But your singing days are done;
But the music of your talk
Never shall the chemistry
Of the secret earth restore.
All your lovely words are spoken.
Once the ivory box is broken,
Beats the golden bird no more.

Felicia B. Matthews

Athletically inclined, Licia showed this in her participation in many sports. Licia was a member of the field hockey, track, and volleyball teams. She also participated in the French Club. Licia was a very bright and warm hearted person.

DO IT RIGHT AFTER GRADUATION

Your decision could affect the rest of your life. Our training will start you on a career in one of more than a hundred fields, and you'll begin gaining experience at one of our locations around the world. We offer 30 days of paid vacation from the very first year, and all medical/dental services are provided. You'll also have food, housing and clothing furnished. If all this sounds unusually good, we're an unusually good organization... and coming with us is a great way of living.

PROGRESS & PARKLANDS

American Aggregates' primary mission is to supply accurately blended sand and gravel aggregates so basically necessary for construction, growth and progress. In addition, a very significant byproduct is created. The company's "Project/ PARKLANDS" is a carefully planned program to develop very desirable acreage for recreation, homesites, commercial properties and industrial parks.
